

Iowa For Israel

On May 19, 2011, President Obama gave a speech in which he stated: "We believe the borders of Israel and Palestine should be based on the 1967 lines..." Though he quickly began to back peddle after receiving sharp criticism, Obama's statement still reflects his policy position. But does it reflect your position? Does it represent the people of the State of Iowa?

Israel is the only stable nation in the Middle East and the only true ally of the United States in the region. But even more importantly, we recognize the spiritual importance of supporting Israel. God promises to prosper those who love Jerusalem (Ps 122:6). His covenant with Abraham states: "I will bless those who bless you, And I will curse him who curses you; And in you all the families of the earth shall be blessed." (Gen 12:3).

As citizens of the United States of America, we have the responsibility to hold up a godly standard and invoke the blessing of God upon our land. That is why we are circulating a petition to the Legislature of the State of Iowa to pass a proclamation supporting Israel and its right to maintain its current borders. In doing so, we will invoke the blessing of God on the state of Iowa and make a statement to other states and the nation.

Sponsors in the State Senate and the House are currently working on the final draft of the resolution. Please add your voice. Sign the petition and let the voice of the people be heard in support of Israel.
